Sports Report for the Academic Year 2016-2017

From June 2016 - March 2017

A healthy nation is always a wealthy nation. Therefore, it is necessary to put emphasis on sports. One can think of a healthy mind only in a healthy body. Both physical and mental wellbeing are the prerequisites of great achievements in man's life. History shows that young men who excelled in the field in sports could prove their worth in the battlefield as valiant soldiers in later life and get the laurels of victory. Today the notion of Sportsman being uneducated or not being recognized has been wiped by great sportsman like Dhoni, Sania Mirza and others. Sports indeed today is a safe and wholesome outlet for aggressive spirit in human beings. Sports fosters friendship and amity.

Today in India Sports has become essential part of the curriculum. In most of the institutions today Sports has also played a vital role in recognition of the students' and also a great part in recognition of the institution. Sports brings in recognition. But it is also the responsibility of this recognition to give substantial establishment to the Sportsman.

Sports are the sources of recreation. They provide relief and a sense of relaxation in a life of monotony of routine marked by miseries, hardships and hurdles. It is not the sound and the fury that counts but effort in the right direction to make a mark. Keeping this in view, it is high time that we spot out our sports talents and provide all necessary facilities to train them properly so as to enable them to compete with world champions with no feelings of diffidence. To this aspiring need. The Department of Physical Education in Hajee Karutha Rowther Howdia College has been conducting.
